Dr. Anderson moved to approve the agenda for the August 3, 2017 Regular Board Meeting as presented; the motion was seconded by Mr. Stull. The Chair called for discussion of the motion to which none was brought forward. The Chair called for a vote on the motion which carried by roll call vote 3-0.

Minutes

Dr. Anderson moved to approve the Board Meeting Minutes of July 20, 2017 as presented; the motion was seconded by Mr. Stull. The Chair called for discussion of the motion. Mr. Melton clarified that we received a quote, not a bid, from the contractors with regard to the fencing in Picacho Hills and is requesting the language be corrected as with bids there are additional requirements; such as advertising and procurement. The Chair called for a vote on the amended minutes; the motion carried by roll call vote 3-0.

New Members & New Meters

Dr. Anderson moved to approve the New Members and New Meters list as presented; the motion was seconded by Mr. Stull. The Chair called for discussion of the motion. Executive Director Jennifer Horton advised we have fourteen (14) names on the list; nine (9) are new members, four (4) are new meters, and we have five (5) existing members. The Chair called for a vote on the motion; the motion carried by roll call vote 3-0.

Board President Report

Mr. Melton reported he attended a six hour session hosted by RCAC concerning the efficiency of pumps and motors. He advised the conference was extremely enlightening and recommends staff attend if this topic is ever presented again. We did have an outage; however there have been no reported lasting effects.

Staff Reports

Executive Director Jennifer Horton advised Operations is in Picacho Hills today to replace piping in an arroyo that continues to be washed out by the rain. We have also had two main breaks that the Board confirmed they were notified about. We did receive our City bill after the main break in the Fairview area we experienced mid-July, which reported a loss of 2.5 million gallons of water at a cost of about \$7,500. As soon as we were notified

of the leak we shut it down, however it appears the leak had happened overnight. We see our customers deal with leaks, and now we have too.

Ms. Horton reported our budget has been approved by DFA.

Mr. Crowley inquired about the exposed pipe reported in the Picacho Hills arroyo near hole 3; do we know who owns this? Ms. Horton advised it is co-owned between the bank and Picacho Hills Country Club. We are aware the arroyo is failing; however we do not own this.

New Business

Mr. Melton opened the floor for comments from the Board of Directors with regard to the 40-year plan presented. Each Board Member voiced concerns with several items throughout the 40 year plan, and have requested to table this item in order to compose notes for our Executive Director and engineering firm Souder, Miller, and Associates due August 10, 2017.

Unfinished Business

Dr. Anderson moved to approve the award to File Construction for Fairview Phase II Construction as presented; the motion was seconded by Mr. Stull. The Chair called for discussion of the motion. Ms. Horton explained this is the project that will connect Fairview Estates and Picacho Hills; a little over one mile of piping. The variance between bids was alarming. We have reached out to the low bidder to confirm they understand the scope of the job and that zero change orders are allowed for movement of pipes or unknowns. This is a very involved project as NMDOT does not allow pavement to be touched, which will result in construction entering residential yards. Mr. Hayhoe inquired about the landscaping that potentially will be touched in this project while voicing concerns about the established trees and the low budget quoted for replacement. Ms. Horton explained at this time we believe the trees will be missed; however if additional costs arise

the contractor is responsible. The landscaping is also protected with a one year warranty. The Chair called for a vote on the motion; the motion carried by roll call vote 3-0.

Dr. Anderson moved to approve Contract 6326344 for Southeast Collection System PER with Souder, Miller, and Associates (SMA) as presented; the motion was seconded by Mr. Stull. The Chair called for discussion of the motion. Ms. Horton advised this is to have SMA redo the PER for Southeast Collection. Our goal is to submit the rewrite to USDA for funding; however they have developed a new PER format with new requirements that must be met. The good news is that if the construction is funded by USDA, then the PER rewrite costs will also be covered. This is worth redoing for the funding opportunity. The Chair called for a vote on the motion; the motion carried by roll call vote 3-0.

Ms. Horton advised, before a motion is made for Item 6, that the Employee Handbook has been updated to reflect all Federal and State requirements, as well as being reorganized for a more cohesive flow. Dr. Anderson moved to table the Employee Handbook as presented; the motion was seconded by Mr. Stull. The Chair called for discussion of the motion. Dr. Anderson advised he has not had a chance to fully review this new handbook and is recommending we table this until the next Regular Board Meeting. The Chair called for a vote on the motion; the motion carried by roll call vote 3-0.

Closed Session

Dr. Anderson moved to enter closed session at 09:51 a.m.; the motion was seconded by Mr. Stull. The Chair called for a vote on the motion; the motion carried by roll call vote 3-0.

As authorized by the Open Meetings Act, New Mexico Statutes Annotated, Section 10-15-1, Subsections H (2), H (7) and H (8), the following portion of the Board Meeting will be conducted in closed session:

1. Real Property and Water Right Acquisition
 - a. Purchase of a Private Water System
2. Limited Personnel Matters
 - a. Executive Director Evaluation and Salary

Take action, if any, on Closed Session Items

At 11:14 a.m. Dr. Anderson moved to exit Closed Session and enter back into Open Session; Mr. Stull seconded the motion. The Chair called for discussion of the motion. The Chair called for a vote on the motion; the motion carried by roll call 3-0.

Mr. Melton stated as authorized by the Open Meetings Act, New Mexico Statutes Annotated, Section 10-15-1, Subsections H (2), H (7) and H (8), the following portion of the Board Meeting were discussed in closed session concerning the status of the following does require action in Open Session and were the only topics discussed in Closed Session.

1. Real Property and Water Right Acquisition
 - a. Purchase of a Private Water System
2. Limited Personnel Matters
 - a. Executive Director Evaluation and Salary

Mr. Melton advised a result of the discussion held in closed session we do need to act on the purchase of a private water system. The motion will need to include the amount of \$310,000 with the proviso that if the current owner abandons two unserviceable wells in accordance with NMOSE requirements, then we will authorize the purchase at price of

\$331,000. Dr. Anderson so moved, with a second from Mr. Stull. The Chair called for further discussion of the motion to which none was brought forward. The Chair called for a vote on the motion. The Chair called for a vote on the motion; the motion carried by roll call 3-0.

Open Discussion

Dr. Anderson would like an update with regard to our water rights issues. Mr. Smith advised we will need another closed session at our next meeting. Dr. Anderson also inquired as to where we are at with Jornada and the City of Las Cruces. Ms. Horton counseled she has met with the City as they want the Association to pay for Mendenhall's. We will not be paying for Mendenhall's; the City closed on their agreement in June, however our agreement was signed in April. We have requested financials, pumping records, and customer invoicing so we can piece together a fair market valuation of the system.

Adjournment

Mr. Stull moved to adjourn at 11:34 a.m.; the motion was seconded by Dr. Anderson. The Chair called for a vote on the motion which carried by roll call vote 3-0.

Borrower/Grantee and its successors and enforceable in accordance with their terms, and upon any board or body to which any powers or duties affecting such representations, covenants, stipulations, obligations and agreements shall be transferred by or in accordance with law.

Pursuant to the laws of the State and in particular, the laws governing its creation and existence, as amended and supplemented from time to time, the Borrower/Grantee is authorized to enter into the transactions contemplated by this Agreement and to carry out its obligations hereunder. The Borrower/Grantee has duly authorized and approved its acceptance of the Loan/Grant and the execution and delivery of this Agreement and the other documents related to the transaction described in this Agreement, and this Agreement and the other documents related to the transaction to which the Borrower/Grantee is a party constitute legal, valid and binding special obligations of the Borrower/Grantee enforceable against the Borrower/Grantee in accordance with their respective terms.

(g) Payment of Loan Amount. The Borrower/Grantee shall promptly pay the Loan Payments as provided in this Agreement, except when a Hardship Waiver is obtained pursuant to Section 4.1(a)(ii) of this Agreement. The Loan Payments shall be payable solely from Pledged Revenues and nothing in this Agreement shall be construed as obligating the Borrower/Grantee to make the Loan Payments from any general or other fund of the Borrower/Grantee other than the Pledged Revenues; however, nothing in this Agreement shall be construed as prohibiting the Borrower/Grantee in its sole and absolute discretion, from making such payments from any moneys which may be lawfully used, and which are legally available, for that purpose.

of or compliance with the terms and Conditions in this Agreement and the other documents related to the transaction, nor the consummation of the transactions contemplated herein and therein, conflicts with or results in a breach of terms, conditions or provisions of any restriction or any agreement or instrument to which the Borrower/Grantee is a party or by which the Borrower/Grantee is bound, or any laws, ordinances, governmental rules or regulations or court or other governmental orders to which the Borrower/Grantee or its properties are subject, or constitutes a default under any of the foregoing.

While this Agreement remains outstanding and unpaid, any ordinance, resolution or other enactment of the Governing Body applying the Pledged Revenues for payment of this Agreement, including the Resolution, shall be irrevocable until the Project has been fully acquired and completed, and the Loan Amount, including all principal and interest that has been repaid, or provision made for payment thereof, shall not be subject to amendment or modification in any manner which would result in any use of the proceeds of this Agreement in a manner not permitted or contemplated by the terms hereof. The Borrower/Grantee shall not impair the rights of the Finance Authority or of any holders of bonds or other obligations payable from the Pledged Revenues while this Agreement is outstanding.

(j) No Litigation. To the knowledge of the Borrower/Grantee, no litigation or proceeding is pending or threatened against the Borrower/Grantee or any other person affecting the right of the Borrower/Grantee to execute or deliver this Agreement and the other documents related to the transaction or to comply with its obligations under this Agreement and the other documents related to the transaction.

(k) Agency Approval. Neither the execution and delivery of this Agreement and the other documents related to the transaction by the Borrower/Grantee nor compliance by the Borrower/Grantee with the obligations under this Agreement and the other documents related to the transaction, requires the approval of any regulatory body, or any other entity, which approval has not been obtained or which is not reasonably expected to be obtained.

(l) No Event of Default. No event has occurred and no condition exists which, with the giving of notice or the passage of time or upon the execution and delivery of this Agreement or the other documents related to the transaction, would constitute an Event of Default on the part of the Borrower/Grantee under this Agreement and the other documents related to the transaction.

(n) Borrower/Grantee's Existence. The Borrower/Grantee will maintain its legal identity and existence so long as this Agreement remains outstanding unless another Political Subdivision of the State, State agency, or other entity by operation of law succeeds to the liabilities, rights and duties of the Borrower/Grantee under this Agreement without adversely affecting to any substantial degree the privileges and rights of the Lenders/Grantors.

(o) Budgeting of Pledged Revenues. The Pledged Revenues will be sufficient to make the Loan Payments, as and when due. The Borrower/Grantee will adequately budget for the Loan Payments and other amounts payable by the Borrower/Grantee under this Agreement.

(p) Use of Project; Continuing Covenant. During the Agreement Term, the Borrower/Grantee will at all times use the Project for the benefit of the Borrower/Grantee and the public it serves. The Borrower/Grantee shall not sell, lease, mortgage, pledge, relocate or otherwise dispose of or transfer the Project or the System, or any part of the Project or the System so long as this Agreement is outstanding; provided, however, that if the Project is a joint project of the Borrower/Grantee and other qualifying entities (as defined by the Act), the Borrower/Grantee and the other qualifying entities may, with the express written approval of the Finance Authority and not otherwise, enter into an agreement allocating ownership and operational and maintenance responsibilities for the Project during the term of the Agreement. Any such agreement shall provide that the Lenders/Grantors, or either of them, shall have the power to enforce the terms of this Agreement, without qualification, as to each and every qualifying entity (as defined by the Act) other than the Borrower/Grantee, owning or operating any portion of the Project during the term of the Agreement. The Borrower/Grantee will operate and maintain the Project, so that it will function properly over its Useful Life.

(q) Expected Coverage Ratio. The Pledged Revenues are reasonably expected to equal or exceed—from the Fiscal Year in which the Closing Date occurs and, on an ongoing basis during each Fiscal Year of the Agreement Term—one hundred percent (100%) of the maximum annual principal and interest due on all outstanding obligations of the Borrower/Grantee payable from the Pledged Revenues.

(r) Right to Inspect. The Finance Authority shall have the right to inspect at all reasonable times all records, accounts and data relating to the System and to inspect the System and all properties comprising the System, and the Borrower/Grantee shall supply such records, accounts, and data as are requested by the Finance Authority, within thirty (30) days of receipt of such request, written or oral.

(s) Records and Reporting. The Borrower/Grantee shall maintain financial records in accordance with Generally Accepted Accounting Principles throughout the Agreement Term, and in the event that the State Audit Act, NMSA 1978, §§ 12-6-1 through 12-6-14 does not apply, conduct an audit of the Project's financial records if requested by the CIB or the Finance Authority and provide any and all other information and access to the Project as requested by the CIB or the Finance Authority.

(t) Acquisition and Completion. The Borrower/Grantee shall proceed expeditiously to complete the Project and shall commence the Project in a commercially reasonable timeframe following the Closing Date. Further, the Borrower/Grantee hereby agrees that in order to effectuate the purposes of this Agreement and to acquire and complete the Project it shall take such steps as are necessary and appropriate to acquire, complete, operate and maintain the Project lawfully and efficiently in accord with all applicable laws, ordinances, resolutions and regulations relating to the acquisition, operation, maintenance and completion of the Project and use of the Loan/Grant proceeds. The Project shall be constructed, installed and completed

substantially in accordance with the approved plans and specifications, and shall fully incorporate the available technologies and operational design for water use efficiency described in the approved plans and specifications. No Loan/Grant funds shall be used for items not constituting Eligible Items.

(u) Use of Grant Proceeds for Construction; Other Qualified Entities. The Borrower/Grantee shall operate and maintain the Project in good operating condition and repair at all times during the Useful Life of the Project, so that the Project will function properly over the Useful Life of the Project; provided, that if any portion of the Project will be constructed, installed, located, completed or extended on real property owned by a Qualified Entity (as defined by the Act) other than the Borrower/Grantee, the Borrower/Grantee may, prior to any use of the Loan/Grant funds for the Project on such real property, obtain the written agreement of such other Qualified Entity to perform these obligations with respect to such real property (and the portion of the Project to be constructed, installed, located, completed or extended on such real property), which written agreement shall be subject to approval by the Lenders/Grantors and shall include an express statement by such other Qualified Entity that the Lenders/Grantors are third party beneficiaries of such written agreement.

(v) Local Match. The Local Match is legally available for the Project, has been applied or set aside by the Borrower/Grantee solely for the purposes of the Project and sufficient evidence of the Local Match has been provided and will be continued to be provided as part of the Borrower/Grantee's quarterly reporting as outlined in Section 7.1 and as otherwise requested by the Finance Authority.

(w) Rate Covenant. The Borrower/Grantee covenants that it will at all times fix, charge and collect such rates and charges as shall be required in order that in each Fiscal Year in which the Loan is outstanding the Gross Revenues shall at least equal the Operation and Maintenance Expenses of the System for the Fiscal Year, plus one hundred percent (100%) of the maximum annual principal and interest payments due on all outstanding obligations payable from the Pledged Revenues.

(x) Audit Requirement. During the Agreement Term the Borrower/Grantee shall comply with the requirements of the State Audit Act, NMSA 1978, §§ 12-6-1 through 12-6-14, as amended, and upon request, provide the Finance Authority with a copy of any review or audit, report of agreed upon procedures, or any other document prepared pursuant to or required by the State Audit Act.

(y) Executive Order 2013-006 Requirements. The Borrower/Grantee has and will meet the requirements of Executive Order 2013-006 prior to the first disbursement of any portion of the Loan/Grant Amount, the Conditions and the readiness to proceed requirements established for the Loan/Grant by the Finance Authority and the CIB; and

(z) Other Liens. Other than as provided in the Term Sheet, there are no liens or encumbrances of any nature, whatsoever, on or against the System or the revenues derived from the operation of the same.

ARTICLE III
AGREEMENT TERM

The Agreement Term shall commence on the Closing Date and shall terminate upon the earliest of the following events: (a) submission and acceptance of a completed Form of Certificate of Completion, Exhibit "D", and repayment of the Loan Amount and Interest or (b) the exercise by the Finance Authority to terminate the Agreement pursuant to an Event of Default as outlined in Section IX of this Agreement.

ARTICLE IV
LOAN/GRANT TO THE BORROWER/GRANTEE; INVESTMENT OF MONEYS

Section 4.1 Loan and Grant to the Borrower/Grantee.

(a) Loan to the Borrower/Grantee. The Finance Authority hereby lends to the Borrower/Grantee and the Borrower/Grantee hereby borrows from and agrees to pay to the order of the Finance Authority, an amount equal to the Loan Amount, with the principal amount of the Loan Amount being payable as provided by Article VI and Exhibit "C" of this Agreement. The Loan Amount shall be pre-payable by the Borrower/Grantee at the conclusion of the Interim Period without penalty.

(i) Subordinate Nature of Loan Amount Obligation. The obligation of the Borrower/Grantee to make the Loan Payments shall be subordinate to all other indebtedness secured by the Pledged Revenues existing on the Closing Date and, further, that may in the future be secured by the Pledged Revenues; except, however, that the obligation of the Borrower/Grantee to make the Loan Payments shall be on parity with any other obligation, present or future, of the Borrower/Grantee to repay a loan provided by the Finance Authority pursuant to the Act or the Water Project Finance Act, NMSA 1978, §§ 72-4A-1 through 72-4A-10, as amended.

(ii) Hardship Waivers of Payment. Each year while any portion of the Loan Amount remains outstanding, if a Borrower/Grantee has encountered an unforeseeable hardship, the Borrower/Grantee may apply in writing on or before April 1st to the Finance Authority for forgiveness of the annual Loan Payment coming due on June 1 of the same year. The Borrower/Grantee shall submit its application to the Finance Authority for a determination by the Finance Authority, in cooperation with DFA, and shall submit sufficient documentation of the existence of the unforeseeable hardship as is reasonably required by the Finance Authority, in cooperation with DFA, to make a determination. The Borrower/Grantee shall promptly respond to additional requests for information from the Finance Authority or DFA. Such application for a Hardship Waiver shall be executed by the Authorized Officers of the Borrower/Grantee. The Finance Authority shall communicate the decision to the Borrower/Grantee in writing. In the event of a determination of unforeseeable hardship, the Loan Payment otherwise due on June 1 of that year shall be forgiven. If no unforeseeable hardship is found to exist, the Loan Payment shall remain outstanding and due and payable in accordance with the terms of this Agreement.

(iii) Constitutional and Statutory Debt Limitations. No provision of this Agreement shall be construed or interpreted as creating a general obligation or other indebtedness of the CIB, the Finance Authority, the State or the Borrower/Grantee within the meaning of any constitutional or statutory debt limitation.

(b) Grant to the Borrower/Grantee. The Lenders/Grantors hereby grant to the Borrower/Grantee and the Borrower/Grantee hereby accepts from the Lenders/Grantors an amount equal to the Grant Amount subject to the terms of this Agreement.

(c) Project Account. The Finance Authority may establish and maintain the Project Account as a book account only, on behalf of the Borrower/Grantee, which account shall be kept separate and apart from all other accounts of the Finance Authority.

Section 4.2 Investment of Borrower/Grantee's Accounts. Money on deposit in the Borrower/Grantee's accounts created hereunder and held by the Finance Authority may be invested by the Finance Authority for the credit of the Fund.

Section 4.3 Loan/Grant Amount Does Not Exceed Total Cost. The sum of the Grant Amount, the Loan Amount, and the Local Match (and as set forth on the Term Sheet) does not exceed the cost of the Project, which, along with other moneys reasonably expected to be available to the Borrower/Grantee, is sufficient to complete the Project.

Section 4.4 Final Requisition. The Final Requisition shall be submitted by the Borrower/Grantee within the Interim Period. The Interim Period may be extended only as approved in writing by an Authorized Officer of the Finance Authority, based on the Borrower/Grantee's demonstration, to the reasonable satisfaction of the Authorized Officer of the Finance Authority, that unanticipated circumstances resulted in delaying the acquisition and completion of the Project, and submission of the Borrower/Grantee's Final Requisition.

ARTICLE V LOAN/GRANT AMOUNT DISBURSEMENT CONDITIONS

Section 5.1 Conditions Precedent to Disbursement of Loan/Grant Amount. Prior to the payment of any requisition of the Loan/Grant Amount or any portion thereof by the Finance Authority from the Fund, the following conditions shall be satisfied:

(a) The Finance Authority shall have determined that the Borrower/Grantee has met the Conditions established for the Loan/Grant; and

(b) Prior to disbursement of any portion of the Loan/Grant Amount for installation or construction, the plans and specifications for the Project shall have been approved by all entities required by the CIB or the Finance Authority in their sole discretion to approve such plans and specifications and the Borrower/Grantee shall have provided written assurance addressed to the Finance Authority and signed by an attorney (or shall have provided a title insurance policy) that the Borrower/Grantee has proper title to or easements, rights of way, or

permits on the real property upon or through which the Project is to be installed, constructed, located, completed or extended; and

(c) If any portion of the Project will be installed, constructed, located, completed or extended on real property owned by a Qualified Entity (as defined by the Act) other than the Borrower/Grantee, the Borrower/Grantee shall have provided written assurance addressed to the Finance Authority and signed by an attorney (or shall have provided a title insurance policy) that such other Qualified Entity has proper title to such real property; and

(d) The Borrower/Grantee shall be in compliance with the provisions of this Agreement; and

(e) No Event of Default has occurred; and

(f) The Borrower/Grantee shall have provided any other information requested by the Finance Authority or CIB in its absolute discretion including documentation sufficient to make a determination whether any requested disbursement is for payment of Eligible Items and is fully consistent with the Act, the Board Rules, and the Policies, as applicable.

Section 5.2 Accounting for Amounts Credited to the Project Account. So long as Section 5.1 has been complied with and all Conditions to the disbursement of the Loan/Grant Amount have been satisfied (including approval of all plans and specifications), upon receipt by the Finance Authority of a requisition substantially in the form of Exhibit "B" attached hereto signed by an Authorized Officer of the Borrower/Grantee, supported by certification by the Borrower/Grantee's project architect, engineer, or such other authorized representative of the Borrower/Grantee that the amount of the disbursement request represents the progress of installation, construction, acquisition or other Project-related activities accomplished as of the date of the disbursement request, the Finance Authority shall seek funds sufficient to satisfy the request and, upon receipt of those funds disburse from the Fund, amounts which together are sufficient to pay the requisition in full or that portion approved by the Finance Authority in its sole discretion. The certification provided pursuant to this Section 5.2 in support of the requisition must be acceptable in form and substance to the Finance Authority. The Borrower/Grantee shall provide such records or access to the Project as the Finance Authority, and, at its request, the CIB, in the discretion of each, may request in connection with the approval of the Borrower/Grantee's requisition requests made hereunder.

Section 5.3 Acknowledgment and Non-liability for Funding Interruption. The Borrower/Grantee hereby acknowledges that the Finance Authority may be required to seek or request funds to satisfy the request outlined in Section 5.2 from an agency, instrumentality or other Political Subdivision of the State and that the Lenders/Grantors may have no control or authority over those entities. The Borrower/Grantee hereby agrees to waive on behalf of itself and indemnify and hold the Lenders/Grantors harmless from any and all third party claims, liability or damage that may or could be caused as a result of a delay or denial of funds related to or arising from the procedure described above or any other mechanism necessary or required to request, secure or process funds.

Section 5.4 No Disbursement for Prior Expenditures Except upon Approval. No disbursement shall be made from the Fund, of the Loan/Grant Amount, or any portion thereof, without the approval of the Finance Authority to reimburse any expenditure made prior to the approval date of the award by the Finance Authority Board.

Section 5.5 Completion of Disbursement of Loan/Grant Funds. Upon completion of the Project an Authorized Officer of the Borrower/Grantee shall deliver a certificate to the Finance Authority and the CIB, substantially in the form of Exhibit "E" attached hereto, stating that, to his or her knowledge, that the Project has been completed. No portion of the Loan/Grant Amount shall be disbursed after the expiration of the Interim Period

Section 5.6 Application of Project Account Subsequent to Disbursement of Loan/Grant Amount; Termination of Pledge. Upon the first to occur of either (a) completion of the disbursement of the Loan/Grant Amount as signified by delivery of the completion certificate contemplated in Section 5.5 hereof; or (b) the earlier expiration of the time allowed for disbursements of Loan/Grant funds as provided in Section 5.5 hereof, the Finance Authority shall transfer the amounts remaining on deposit in the Project Account, if any, to such other fund permitted by law. Upon such entry, the pledge of the Project Account, if any, established in this Agreement shall terminate.

ARTICLE VI LOAN PAYMENTS BY THE BORROWER/GRANTEE

Section 6.1 Loan to the Borrower/Grantee; Payment Obligations Limited to Pledged Revenues; Pledge of Pledged Revenues. The Finance Authority hereby lends to the Borrower/Grantee and the Borrower/Grantee hereby borrows from the Finance Authority an amount not to exceed the Loan Amount. The Borrower/Grantee promises to pay, but solely from the sources pledged herein, the Loan Payments and other amounts owed by the Borrower/Grantee as herein provided. Subject to any outstanding Parity Obligations and Senior Obligations, the Borrower/Grantee does hereby grant a lien on and a security interest in and does hereby convey, assign and pledge unto the Finance Authority and unto its successors in trust forever all right, title and interest of the Borrower/Grantee in and to (i) the Pledged Revenues to the extent required to pay the Loan Payments, and other amounts owed by the Borrower/Grantee as herein provided, subject to and subordinate to all other pledges of the Pledged Revenues existing on the Closing Date and, further, that may exist in the future (except only that the pledge of the Pledged Revenues herein shall be on a parity with any other pledge of the Pledged Revenues by the Borrower/Grantee to repay any obligations issued by the Lender/Grantor pursuant to the Act or the Water Project Finance Act); (ii) the Loan/Grant Amount including the Project Account; and (iii) all other rights hereinafter granted, for the securing of the Borrower/Grantee's obligations under this Agreement, including payment of the Loan Payments and other amounts owed by the Borrower/Grantee as herein provided, however, that if the Borrower/Grantee, its successors or assigns, shall pay, or cause to be paid, all Loan Payments at the time and in the manner contemplated by this Agreement, and shall pay all other amounts due or to become due under this Agreement in accordance with its terms and provisions then, upon such final payment, this Agreement and the rights created thereby shall terminate; otherwise, this Agreement shall remain in full force and effect.

The schedule of Loan Payments, assuming the disbursement of the entire Loan/Grant Amount within twenty-four (24) months after the Closing Date, identified as the Interim Debt Service Schedule, is attached to this Agreement as Exhibit "C". Within thirty (30) days after the Final Requisition is made, the Finance Authority shall provide a Final Debt Service Schedule, reflecting the amount of the Loan/Grant Amount actually disbursed to the Governmental Unit pursuant to this Agreement. Such Final Debt Service Schedule shall supersede the schedule attached hereto as Exhibit "C".

The pledge of the Pledged Revenues and the lien thereon shall be effective upon the Closing Date. The Borrower/Grantee and the Finance Authority acknowledge and agree that the obligations of the Borrower/Grantee hereunder are limited to the Pledged Revenues; and that this Agreement with respect to the Loan Amount and other amounts owed by the Borrower/Grantee as herein provided, and that the Agreement shall constitute a special, limited obligation of the Borrower/Grantee. No provision of this Agreement shall be construed or interpreted as creating a general obligation or other indebtedness of the Borrower/Grantee or the State within the meaning of any constitutional or statutory debt limitation. No provision of this Agreement shall be construed to pledge or to create a lien on any class or source of Borrower/Grantee moneys other than the Pledged Revenues, nor shall any provision of this Agreement restrict the future issuance of any bonds or obligations payable from any class or source of Borrower/Grantee moneys other than the Pledged Revenues. In addition, to the extent not required for the payment of obligations of the Borrower/Grantee hereunder, the Pledged Revenues may be utilized by the Borrower/Grantee for any other purposes permitted by law.

Section 6.2 Deposit of Payments of Loan Amount to Colonias Infrastructure Project Fund. All Loan Payments made by the Borrower/Grantee to the Finance Authority to repay the Loan Amount and interest thereon, if any, shall be deposited into the Colonias Infrastructure Project Fund.

Section 6.3 Manner of Payment. The Loan Amount shall be payable by the Borrower/Grantee to the Finance Authority in annual installments of principal payable on June 1 after expiration of the Interim Period and continuing through the expiration of the last Loan Payment due as outlined in the Final Debt Service Schedule. All payments of the Borrower/Grantee hereunder shall be paid in lawful money of the United States of America to the Finance Authority at the address designated in Section 10.1 of this Agreement. The obligation of the Borrower/Grantee to make payments hereunder, from and to the extent of the available Pledged Revenues, shall be absolute and unconditional in all events, except as expressly provided hereunder. Notwithstanding any dispute between the Borrower/Grantee and the Finance Authority, any vendor or any other person, the Borrower/Grantee shall make all deposits hereunder, from and to the extent of the available Pledged Revenues, when due and shall not withhold any deposit hereunder pending final resolution of such dispute, nor shall the Borrower/Grantee assert any right of set-off or counterclaim against its obligation to make such deposits required hereunder.

Section 6.4 Borrower/Grantee May Budget for Payments. The Borrower/Grantee may, in its sole discretion, but without obligation and subject to the Constitution of the State, governing laws, and its budgetary requirements, make available properly budgeted and legally available

funds to make the Loan Payments and other amounts owed by the Borrower/Grantee hereunder; provided, however, the Borrower/Grantee has not covenanted and cannot covenant to make such funds available and has not pledged any of such funds for such purpose.

Section 6.5 Lender/Grantor's Release of Lien and Further Assurances. Upon payment in full of the Loan Amount and other amounts owed by the Borrower/Grantee as herein provided in this Agreement and upon written request from the Borrower/Grantee, the Finance Authority agrees to execute a release of lien and to give such further assurances as are reasonably necessary to ensure that the Finance Authority no longer holds or maintains any lien or claim against the Pledged Revenues.

ARTICLE VII ADMINISTRATION

Section 7.1 Borrower/Grantee Reporting to Lenders/Grantors. The Borrower/Grantee shall provide the Lenders/Grantors with a quarterly written report substantially in the form of Exhibit "D" attached hereto, or other report format as designated by the Finance Authority, and signed by an Authorized Officer of the Borrower/Grantee. The first quarterly report shall be due on December 31, and subsequent reports shall be due on each March 31, June 30, September 30 and December 31 thereafter until the report date next following final distribution of the Loan/Grant funds. The description of the status of the Project in each quarterly report shall include, among other information, (a) a comparison of actual and anticipated requests for distributions of Loan/Grant funds as of the report date with those anticipated as of the Closing Date, (b) a description of actual and anticipated changes in the cost estimates for the Project as of the report date compared with those anticipated as of the Closing Date, and (c) a description of the percentage of completion of the Project.

Section 7.2 Application of Project Account Subsequent to Disbursement of Loan/Grant Funds. Upon the completion of the Project as signified by delivery of the completion certificate required by Section 5.5 hereof, the Finance Authority shall determine, by reference to the Project Account, if any, whether any portion of the authorized Loan/Grant Amount remains unexpended. If any of the Loan/Grant Amount remains unexpended, the funds shall be transferred by the Finance Authority to the appropriate account or fund in accordance with applicable law and the Borrower/Grantee shall have no right to access the funds.

Section 7.3 Further Assurances and Corrective Instruments. The Lenders/Grantors and the Borrower/Grantee agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may reasonably be required for correcting any inadequate or incorrect description of the Project or of the Pledged Revenues and carrying out the intention hereof.

Section 7.4 Representatives of Lenders/Grantors or of Borrower/Grantee. Whenever under the provisions hereof the approval of the Lenders/Grantors, collectively or individually, or the Borrower/Grantee is required, or the Borrower/Grantee, or the Lenders/Grantors, collectively or individually, are required to take some action at the request of any of them, such approval or such request shall be given for the Lenders/Grantors, collectively or individually, or for the

Borrower/Grantee, by an Authorized Officer of the Lenders/Grantors, collectively or individually, or the Borrower/Grantee, as the case may be, and any party hereto shall be authorized to act on any such approval or request.

Section 7.5 Selection of Contractors. All contractors providing services or materials in connection with the Project shall be selected in accordance with applicable provisions of the New Mexico Procurement Code, NMSA 1978, §§ 13-1-28 through 13-1-199, as amended, or, if the Borrower/Grantee is not subject to the New Mexico Procurement Code, shall be selected in accordance with a documented procurement process duly authorized and established pursuant to laws and regulations applicable to the Borrower/Grantee.

Section 7.6 Required Contract Provisions. The Borrower/Grantee shall require the following provisions in any contract or subcontract executed in connection with the Project to which the Borrower/Grantee is a party:

(a) There shall be no discrimination against any employee or applicant for employment because of race, color, creed, sex, religion, sexual preference, ancestry or national origin;

(b) Any contractor or subcontractor providing construction services in connection with the Project shall post a performance and payment bond in accordance with the requirements of NMSA 1978, § 13-4-18, as amended; and

(c) Any contractor or subcontractor providing construction services in connection with the Project shall comply with the prevailing wage laws in accordance with the requirements of NMSA 1978, § 13-4-11, as amended.

Section 7.7 Little Miller Act. To the extent NMSA 1978, § 13-4-1 et seq., (the “Little Miller Act”) is applicable to the Project, the Borrower/Grantee shall comply with the requirements of the “Little Miller Act”. If bonding requirements of the Little Miller Act are not applicable to the Project, the Borrower/Grantee will require that the contractor to whom is given any contract for construction appertaining to the Project supply a performance bond or bonds satisfactory to the Borrower/Grantee. Any sum or sums derived from said performance bond or bonds shall be used within six (6) months after such receipt for the completion of said construction, and if not so used within such period, shall be treated as Gross Revenues.

ARTICLE VIII INSURANCE; NON-LIABILITY OF LENDERS/GRANTORS

Section 8.1 Insurance. The Borrower/Grantee shall carry general liability insurance or participate in the State’s risk-management program and, to the extent allowed by the New Mexico Tort Claims Act, NMSA 1978, §§ 41-4-1 through 41-4-30, as amended, shall and hereby agrees to name the Lenders/Grantors as additional insureds with respect to all claims, by or on behalf of any person, firm, corporation or other legal entity arising from the acquisition, completion or implementation of the Project or otherwise during the Agreement Term; provided, that if any portion of the Project will be constructed, located, completed or extended on real property owned

by a Qualifying Entity (as defined by the Act) other than the Borrower/Grantee, the Borrower/Grantee may obtain the written agreement of such other Qualifying Entity to perform these insurance/risk-management program requirements for Borrower/Grantee with respect to such real property (and the portion of the Project to be constructed, located, completed or extended on such real property), which written agreement shall include an express statement by such other Qualifying Entity that the Lenders/Grantors are third party beneficiaries of such written agreement.

Section 8.2 Non-Liability of Lenders/Grantors.

(a) Lenders/Grantors shall not be liable in any manner for the Project, Borrower/Grantee's use of the Loan/Grant, the acquisition, implementation, construction, installation, ownership, operation or maintenance of the Project, or any failure to act properly by the Borrower/Grantee or any other owner or operator of the Project.

(b) Lenders/Grantors shall not be liable for the refusal or failure of any other agency of the State to transfer any portion of the Loan/Grant Amount in its possession, custody and control to the Finance Authority for disbursement to the Borrower/Grantee, or to honor any request for such transfer or disbursement of the Loan/Grant Amount.

(c) To the extent permitted by law, the Borrower/Grantee shall and hereby agrees to indemnify and save the Finance Authority and the CIB harmless against and from all claims, by or on behalf of any person, firm, corporation, or other legal entity, arising from the acquisition or operation of the Project during the Agreement Term, from: (i) any act of negligence or other misconduct of the Borrower/Grantee, or breach of any covenant or warranty by the Borrower/Grantee hereunder; and (ii) the incurrence of any cost or expense in connection with the acquisition or operation of the Project in excess of the Loan/Grant Agreement proceeds and interest on the investment thereof. The Borrower/Grantee shall indemnify and save the Finance Authority and the CIB harmless, from and to the extent of the available Pledged Revenues, from any such claim arising as aforesaid from (i) or (ii) above, or in connection with any action or proceeding brought thereon and, upon notice from the Finance Authority or the CIB, shall defend the Finance Authority or the CIB, as applicable, in any such action or proceeding.

ARTICLE IX
EVENTS OF DEFAULT AND REMEDIES

Section 9.1 Events of Default Defined. For purposes of this Article IX, the term Lenders/Grantors shall mean the Finance Authority on behalf of the CIB pursuant to the Board Rules. Any one of the following shall be an "Event of Default" under this Agreement:

(a) Failure by the Borrower/Grantee to pay any amount required to be paid under this Agreement on the date on which it is due and payable; or

(b) Failure by the Borrower/Grantee to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Agreement for a period of thirty (30) days after written notice, specifying such failure and requesting that it be remedied, is given to the Borrower/Grantee by the Lenders/Grantors, collectively or individually, unless the

Lenders/Grantors, collectively or individually shall agree in writing to an extension of such time prior to its expiration; provided, however, if the failure stated in the notice can be wholly cured within a period of time not materially detrimental to the rights of the Lenders/Grantors but cannot be cured within the applicable thirty (30) day period, the Lenders/Grantors, collectively or individually, will not unreasonably withhold their consent to an extension of such time if corrective action is instituted by the Borrower/Grantee within the applicable period and diligently pursued until the failure is corrected; and provided, further, that if by reason of Force Majeure the Borrower/Grantee is unable to carry out the agreements on its part herein contained, the Borrower/Grantee shall not be deemed in default under this paragraph 9.1(b) during the continuance of such inability (but Force Majeure shall not excuse any other Event of Default); or

(c) Any warranty, representation or other statement by or on behalf of the Borrower/Grantee contained in this Agreement or in any instrument furnished in compliance with or in reference to this Agreement is determined to be false or misleading in any material respect in the sole discretion of the Finance Authority or CIB; or

(d) A petition is filed against the Borrower/Grantee under any bankruptcy, moratorium, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, and is not dismissed within thirty (30) days after such filing, but the Finance Authority shall have the right to intervene in the proceedings prior to the expiration of such thirty (30) days to protect their interests; or

(e) The Borrower/Grantee files a petition in voluntary bankruptcy or seeking relief under any provision of any bankruptcy, moratorium, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, or consents to the filing of any petition against it under any such law; or

(f) The Borrower/Grantee admits insolvency or bankruptcy or its inability to pay its debt as they become due or is generally not paying its debt as such debt become due, or becomes insolvent or bankrupt or makes an assignment for the benefit of creditors, or a custodian (including, without limitation, a receiver, liquidator or trustee) of the Borrower/Grantee for any of its property is appointed by court order or takes possession thereof and such order remains in effect or such possession continues for more than thirty (30) days, but the Finance Authority shall have the right to intervene in the proceedings prior to the expiration of such thirty (30) days to protect their interests.

(g) Default by the Borrower/Grantee in performance or observance of any covenant contained in any other loan agreement, document or instrument of any type whatsoever evidencing or securing obligations of the Borrower/Grantee to the Finance Authority.

Section 9.2 Limitations on Remedies. A judgment requiring payment of money entered against the Borrower/Grantee shall be paid only from available Pledged Revenues unless the Borrower/Grantee in its sole discretion pays the judgment from other available funds.

Section 9.3 Remedies on Default. Whenever any Event of Default has occurred and is continuing, and subject to Section 9.4 hereof, the Lenders/Grantors, collectively or individually,

may take whatever of the following actions may appear necessary or desirable to enforce performance of any agreement of the Borrower/Grantee in this Agreement:

- (a) File a mandamus proceeding or other action or proceeding or suit at law or in equity to compel the Borrower/Grantee to perform or carry out its duties under the law and the agreements and covenants required to be performed by it contained herein;
- (b) Terminate this Agreement;
- (c) Cease disbursing any further amounts from the Project Account;
- (d) Demand that the Borrower/Grantee immediately repay the Loan/Grant Amount or any portion thereof if such funds were not utilized in accordance with this Agreement;
- (e) File a suit in equity to enjoin any acts or things which are unlawful or violate the rights of the Lenders/Grantors, collectively or individually; or
- (f) Intervene in judicial proceedings that affect this Agreement or the Pledged Revenues; or
- (g) Cause the Borrower/Grantee to account as if it were the trustee of an express trust for all of the Pledged Revenues; or
- (h) Take whatever other action at law or in equity may appear necessary or desirable to collect amounts then due and thereafter to become due under this Agreement or to enforce any other of their rights hereunder.

The Borrower/Grantee shall be responsible for reimbursing the Lenders/Grantors for any and all fees and costs incurred in enforcing the terms of this Agreement.

Section 9.4 No Remedy Exclusive. No remedy herein conferred upon or reserved to the Lenders/Grantors, collectively or individually, is intended to be exclusive, and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Borrower/Grantee or the Lenders/Grantors to exercise any remedy reserved in this Article IX, it shall not be necessary to give any notice, other than such notice as may be required in this Article IX.

In the event that any agreement contained herein should be breached by either party and thereafter waived by the other party, such waiver shall be in writing and limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 9.7 Agreement to Pay Attorneys' Fees and Expenses. In the event that the Borrower/Grantee shall default under any of the provisions hereof, and the Finance Authority or the CIB shall employ attorneys or incur other expenses for the collection of payments hereunder, or the enforcement of performance or observance of any obligation or agreement on the part of the Borrower/Grantee herein contained, the Borrower/Grantee agrees that it shall, on demand therefor, pay to the Finance Authority or the CIB, as applicable, the fees of such attorneys and such other expenses so incurred, to the extent such attorneys' fees and expenses may be determined to be reasonable by a court of competent jurisdiction; provided, however, that the obligation of the Borrower/Grantee under this Section shall be limited to expenditures from and to the extent of the available Pledged Revenues.
